Who Is Lillie?

Lillie is our beautiful sister who, although she left us far too soon, continues to inspire us every day. She passed away 10 years ago at the age of 44, but her spirit lives on in the memories we share. Lillie was smart, beautiful, and loving, always willing to go above and beyond to help those around her. With a heart of gold, she had an innate ability to connect with others and bring light into their lives.

Throughout her life, Lillie faced significant challenges, battling mental health issues and addiction. Despite these struggles, she maintained a deep desire to support and uplift others. Lillie's compassion and willingness to help, even during her own difficult times, were her greatest gifts.

Sadly, Lillie passed away due to cirrhosis of the liver and other complications, a reflection of the struggles she faced. However, her legacy is one of resilience, kindness, and selflessness.

Why Lillie's Gift?

This scholarship program is dedicated to honoring Lillie's memory by supporting individuals who wish to pursue their education and make a positive impact in the lives of others. We aim to create opportunities for those who demonstrate the same spirit of giving that Lillie exemplified, ensuring that her light continues to shine through the support we offer.
